FROM THE PRINCIPAL

Dear Parents and Community Members,

At Butte Creek, we are very proud of the emphasis we put on developing great character along with academic growth. The hard work and dedication put forth by our students and staff is evident every day, and is building the foundations for future success in each student. Even so, we recognize that we have room for continued growth in the areas of math and reading, for our English Language Learners, and for Students with Disabilities. As we focus our efforts in these areas we promise to deliver the same level of excellence you've come to expect from us. A major goal for our school and district is for every student and staff member to be in school at least 95% of all school days, and we need your help and commitment to make

sure this is accomplished. We appreciate your support, and look forward to our continued partnership this year!

Thank you,

Principal | Therese Gerlits

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
