

FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education offers a comprehensive picture of what Scotts Mills Elementary School offers to students.

At Scotts Mills School we will continue to focus on student growth and achievement across all academic areas, specifically focused on math and reading. We will target those students who are not making adequate growth and offer them the additional support needed for academic success. I have every expectation that Scotts Mills Elementary School will continue to demonstrate academic excellence and growth for all students. We will continue to focus on the Common Core State

Standards at all grade levels, design lessons that will give our students every chance to be successful on the SBAC, work to prepare students for high school graduation, as well as college and career readiness.

Our work and vision at Scotts Mills School falls in line with the Silver Falls School District Mission Statement, "Together...cultivating character and academic growth in each student. Every day." We are looking forward to a great year and appreciate your continued support.

Thank you,

Principal | Kirstin Jorgenson

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
