FROM THE PRINCIPAL

Dear Parents and Community Members,

This redesigned annual report card issued by the Oregon Department of Education presents a comprehensive picture of what Victor Point School offers. The Oregon Department of Education has temporarily suspended the assignment of school ratings during the transition from the OAKS (Oregon Assessment of Knowledge and Skills) to the new college and career readiness assessments (Smarter Balanced). Schools will not receive an overall school rating on this report, but will receive a new overall school rating on the 2017-18 report.

I am very pleased with our results for academic achievement. I have every expectation that Victor Point School will continue to demonstrate academic excellence and growth for all students. We will continue to focus on the Common Core State Standards at all grade levels, as well as designing lessons that will give our students every chance to be successful as the state moves forward with the Smarter Balance Assessment.

Thank you,

Principal | Jamie McCarty

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
