

Butte Creek School

Home of the Bobcats

Together...cultivating character and academic growth in each student....Every day.

2014 - 2015 School Goals

In addition to our specific goals for reading, writing, and math as stated in our School-wide Title I plan, we are in Year Four of our Positive Family Support program, working with families to help students be successful at school. Butte Creek is also a Positive Behavior Supports (PBS) school, using specific data to improve school climate.

Parent / Community Involvement

Butte Creek is known for its family and community involvement, both in and out of school hours. We welcome parent helpers in our classrooms, and we have a highly organized and supportive Parent-Teacher Team (PTT) that works hard to support our school. Over the years, PTT has provided funding for student lockers, curriculum materials, our sound system in the gym, classroom equipment, and our new covered play area. The PTT is now focused on upgrades to our technology hardware and software school wide. Our PTT meets in the school library at 6:30pm on the second Thursday of each month, and all parents are welcome to attend!

Academic Theme or Focus

We have a constant focus on improvement in the areas of reading, writing, and math, always with strong character traits at the forefront.

Our School is Special Because...

We celebrate our ethnic diversity and student achievement! Butte Creek is a large K-8 school with the feel of a small community school and a family
