Mark Twain Middle School

Home of the Vikings

Together...cultivating character and academic growth in each student....Every day.

2014 - 2015 School Goals

Mark Twain strives to meet the needs of all students and provide instruction and interventions that will improve student success now and in the future.

Mark Twain is using the PBIS (Positive Behavior) model to teach appropriate behaviors that will improve our school climate.

Parent / Community Involvement

ASAP is a no-charge community based opportunity held at the Lutheran Church after school on Tuesdays and Thursdays from 3 to 6 pm. Community volunteers provide tutoring and supervised activities for 7th and 8th grade students. These volunteers work closely with Mark Twain teachers on homework assignments and helping to prepare students for tests.

Mark Twain also has a new Parent Teacher Club (PTC) that is working hard to support our teachers and students.

Academic Theme or Focus

Become positive members of the community We continue to offer a wide array of academic exthrough service learning projects; Continue focus on reading and math skill development; Increase number of students involved in additional activities not limited to academics.

Our School is Special Because...

periences for students which include rich elective choices that allow students to explore potential areas of interest for high school. Our students have access to full periods of band, choir, drama, student leadership and government, the high school's CTE program, video technology, and art. Mark Twain students are also given the opportunity to participate in a Robotics program after school.
