

Silverton Middle School

Home of the Falcons

Together...cultivating character and academic growth in each student....Every day.

2017 - 2018 School Goals

Every student will show at least a year's growth in both English/Language Arts and Math.

100% of our teachers will be proficient or distinguished in the standard for Student Engagement and Questioning/Discussion in the classroom.

Parent / Community Involvement

Our parents and volunteers help chaperone the many events that SMS puts on for our students. Our PTC meets regularly to discuss how best to help Silverton Middle School students and staff. They have created several different fund raisers to help fund different items and supplies for our school. They meet the second Monday of each month at 7 p.m. in the SMS library.

Academic Theme or Focus

We are focused on constant academic progress, as well as sending our students to the high school with the following attributes: confident, responsible, independent thinkers who strive to reach their potential while positively contributing to the community and world.

Our School is Special Because...

We are the only true middle school in the district and we are able to provide not only a strong academic base, but also many different electives including: Reading and Math Interventions, Band, Choir, Drama, Computers, Video technology, Art/Advanced Art, and Career and Technical Education.

School At A Glance

Grades: 6-8

Enrollment: 450

Special Offerings:

Along with a strong electives program, SMS offers girls volleyball, boys and girls basketball, wrestling, and a partnership with the YMCA for a track program. We also regularly participate in Battle of the Books, and have a competitive Robotics team for our students.
