October 12, 2017

To Whom It May Concern,

We have been informed that Steelhammer Road will be undergoing paving next week as part of the construction that started in August 2017. Thus far in the school year Durham school buses have been able to travel on Steelhammer Road to pick up and drop off students. With paving going on that will not be an option for a short amount of time. For the week of 10/16-10/20/2017 school bus routes will be adjusted to account for this full road closure.

All bus stops currently made on Steelhammer Road, between Oak Street and Reserve Street, will be moved to the intersection of Reserve Street and Tillicum Drive until paving has been completed. Due to this road closure, Routes 5(SHS/SMS & AM MT), 6(MT & PM SHS/SMS), 8(SHS/SMS), 10(SHS/SMS), 13(RF), and 17(RF) may experience lateness during both their morning and afternoon routes.

## **Starting Monday, October 16th until Paving Completion:**

- All **Silverton High School** and **Silverton Middle School Students** will ride Route 5 to & from the bus stop at Reserve Street & Tillicum Drive. Students will need to be at that bus stop by 7:00am. Drop off will be approximately 3:48pm.
- All **Robert Frost Students** will ride Route 13 to & from the bus stop at Reserve Street & Tillicum Drive. Students will need to be at that bus stop by 7:12am. Drop off will be approximately 3:45pm.
- All **Mark Twain Students** will ride Route 6 to & from the bus stop at Reserve Street & Tillicum Drive. Students will need to be at that bus stop by 7:45am. Drop off will be approximately 2:54pm.

Other bus stop times along these routes may also be impacted by late buses during this time. Please continue reading for information about other bus stops for these routes during this road closure.

## **Route 5 - Silverton High School & Silverton Middle School**

15866 N Abiqua Road 4:27
