

# REVISED December 2, 2019

December 2019

**TO:** Parents and Students of Bethany Charter, Central Howell, Community Roots Charter, Evergreen, Mark Twain Elementary, Pratum, Robert Frost, Silverton Middle, and Silverton High

**FROM:** Paul Peterson, Interim Superintendent

In the event bad weather disrupts school bus traffic in the mornings, one of four ways of dealing with the condition will be released to area radio and television stations in time for broadcasts beginning at 5:30 a.m. *In addition, the school district superintendent or school principal will make an automated telephone call.* You can also check the School District's website: [www.silverfallsschools.org](http://www.silverfallsschools.org)

**1. School closed.**

**2. Two-hour delay.** All buses will run regular routes two hours late.

**3. Snow routes only; NO delay.** Buses will run as close to schedule as possible. (Bethany Charter, Butte Creek, Central Howell, Community Roots Charter, Evergreen, and Pratum areas have no snow routes.) ***If the snow routes occur in the A.M., buses will remain on snow routes for the P.M.***

Snow routes traditionally occur only in attendance areas at higher elevations (Butte Creek, Scotts Mills, Silver Crest and Victor Point areas). When buses are on snow routes, all communication will specify which routes have no service. **IT IS CRITICAL FOR PARENTS TO KNOW THE NUMBER OF THEIR CHILD'S BUS ROUTE(S).** See second page of this memo for all bus route numbers in your area.

**Students with driver's licenses and parents are encouraged to be extra cautious when driving in bad weather, especially when driving on days of a delayed school opening or when buses are on snow routes. There may be ice or even snow on the roads when these occur. Parents are reminded that they make the final decision about whether it is safe for their child to attend school on bad weather days. When a child cannot attend school due to bad weather, it will be considered an excused absence.**

A driver may determine that a morning bus is unable to service some roads.**

If the roads look bad or if there has been ice or snow, listen to the radio or television or visit the school district website for possible closure or delays.
