

# Scotts Mills School

## Home of the Jaguars

*Together...cultivating character and academic growth in each student....Every day.*

### 2017 - 2018 School Goals

We work to meet the needs of all students in order to help them to be successful in school and prepare them for high school and beyond.

### Parent / Community Involvement

We have an active PTCC that provides support in both volunteer activities and funding for supplies, materials, field trips, special events, and more.

We value a partnership with Scotts Mills Historical Society and other community partners (Community Coffee, US Post Office) that provide learning opportunities and field trips for our students. Silverton Together, SACA, Rotary, Kiwanis, YMCA, and Elks provide various opportunities and resources for schools and families. All 3rd-4th grade students travel to Silverton City Pool for swim lessons sponsored by Kiwanis.

### Academic Theme or Focus

We are committed to provide instruction in all areas to help prepare students for high school and college or career. We also embrace STEAM (Science, Technology, Engineering, Arts, & Math) lessons at all grade levels. We are currently have 1:1 technology devices (iPads/ Chromebooks) for students in grades 1-8.

### Our School is Special Because...

Our staff and community go above and beyond to ensure that all students have the support and encouragement they need to achieve at high levels.
