

Silver Crest School

Home of the Pirates

Together...cultivating character and academic growth in each student....Every day.

2017 - 2018 School Goals

Our goal is to provide every Silver Crest student with the best opportunity to graduate from Silverton High School. It's our goal for every student to perform at grade level by the time they leave Silver Crest.

Parent / Community Involvement

Our parents and community are involved in events such as the Christmas Tree Run, Winter and Spring programs, and the School Carnival. We have an active Booster Club that assists with these events while also fundraising for the school.

Academic Theme or Focus

Using our STAR Reading and Math scores along with SBAC to drive our instruction.

Our School is Special Because...

The environment. Our parents, community members, and staff take great pride in knowing that we provide a safe, nurturing, and unique environment for our students.
