

**SFSD USES THESE REFLECTION QUESTIONS DURING DECISION MAKING PROCESSES.
THE VISUALS REFLECT THE FOCUS OF THE DISTRICT.**

1. Who are the racial/ethnic and underserved groups affected? What is the potential impact of the resource allocation and strategic investment to these groups?
2. Does the decision being made ignore or worsen existing disparities or produce other unintended consequences? What is the impact on eliminating the opportunity gap?
3. How does the investment or resource allocation advance student mental or behavioral health and well-being and/or increase academic achievement and address gaps in opportunity?
4. What are the barriers to more equitable outcomes? (e.g. mandated, political, emotional, financial, programmatic or managerial)
5. How have you intentionally involved partners who are also members of the communities affected by the strategic investment or resource allocation? How do you validate your assessment in (1), (2) and (3)?
6. How will you modify or enhance your strategies to ensure each learner and communities' individual and cultural needs are met?
7. How are you collecting data on race, ethnicity and native language?
8. What is your commitment to professional learning for equity? What resources are you allocating for training in culturally responsive and sustaining instruction?

SFSD Strategic Plan for 2020 - 2025
